### President's message:

We send our sympathy to Dorothy Henderson, as former chapter president Donald Henderson recently passed away. Donald Henderson led our chapter in the early 2000's until 2009. He was instrumental in helping me obtain 501c3 tax exempt status for Chapter 14 and California IH Collectors Foundation in 2006. We propose our 39th FFA tractor project will be done at Oakdale HS in memory of him. Often he and Dorothy would be at Ardenwood Farms in October grinding corn into flour with his McCormack Deering W4 tractor. The Henderson attended many of our antique farm equipment shows in Tulare and announced the winner of our IH pedal tractor to the 1,600 who attended the Saturday evening steak dinner. After moving to Michigan, Donald Henderson often drove his tractor over the famous Mackinaw bridge and Lake Michigan. So privileged to have know Donald President Henderson all these years.

Our Winter Convention will occur March 24-26, 2022 in Pigeon Forge TN. See page 1 for details.

With 201 IH Collectors as chapter members, let's keep the IH legacy vibrant. Share your connection to IH Collectors with friends and family. We have launched our 2022 membership drive and encourage you and your friends to join at [www.ihcc14.org](http://www.ihcc14.org).

FFA projects are occurring at Oakdale, CA as students begin restoring a Farmall M tractor. This school won the National Livestock Judging contest at Indiana FFA convention. Yuba County Charter School FFA students will begin our **40th project** this winter sponsored by CA IH Collectors Foundation.

CA Antique Farm Equipment Show is back on after a two year absence. Mark your calendar for April 24-26, 2022 at the Agri International Center. We will have displays, parades, auctions, swap meets, contests, and a Saturday evening banquet. We would to see 100's of IH tractors and displays. So please join us.

We will have a Zoom virtual board meeting early in December to catch up and forecast 2021 events and get together, as will the national board.

What have you been restoring in your shop. Send us some pictures of your projects.

Merry Christmas from IH Collectors,

Roger Lubiens, President

## Oakdale HS FFA

We're back at school ready to begin our 39th Farmall tractor restoration, in memory of past president Donald Henderson who passed away last month.

Here Ag teacher Isaac Robles and some of his students have restored this Farmall A tractor to a shiny luster and are proud to use it on their FFA farm.

Beginning next month this Farmall M donated from a Tulare farm will look impressive after its restoration. Tractor had been used to run a vintage cotton picker and sat many years in a barn near Tulare CA.

Part of the FFA check of \$2000.00 will be used to purchase FFA blue jackets for needy students.

Thanks to Donald Henderson for his inspiration that has led to building into students and their FFA lofty goals. This legacy lasts a lifetime and has empowered youth connected to IH Collectors.

Oakdale FFA Chapter recently took national honors placing first in livestock judging contest at the national FFA conference in Indianapolis IN.
