Red Power Roundup 2022

You've driven hundreds of miles and made it to the Ohio Roundup last month.

This newsletter will highlight pictures taken by friends and member Tony Ramos.

IH Collectors once again participated in this California coastal show.

International Harvester Collectors Chapter 14 Inc

We are looking for donations for our Foundation. Your donations assist a number of high school FFA projects. We're headed to Paso robes and Templeton schools this Fall to review some new restoration projects.

If you would like to donate to the CA IH Collectors Foundation, we'd love to receive a donation of \$100, \$500, \$1000 or more

Make your tax deductible check payable to CA IH Collectors Foundation, mailed to PO Box 1471 Folsom CA 95630.

Thank you.

President's Message:

It's officially summer and several IH Collectors events are underway.

The Plymouth CA show featured IH and other makes of classic trucks. Thanks to Richard Marshall for the pictures included in this newsletter.

Ever own a Cub Cadet lawn tractor? We have a newer version and mows here all summer long on the farm. See newsletter for history on this classic IH lawn tractor.

The Toy Farmer Show was here in Lamoure ND . A fine display of toy tractors and implements that caught my attention with a great variety of International toys. You will see some of these great toys at our Fall meeting.

We truly thank member Tony Ramos and his wife Carol for providing many of the pictures from Red Power Roundup 2022 located in Springfield Ohio. In this newsletter you will get a glimpse of this year's show. Next year Red Power Roundup is headed to Grand Island Nebraska. Mark your calendar for June 15-17, 2023.

Western Antique Iron Trader magazine featured our Rio Linda Farm Show pictures we presented them in their July edition. Kudos for posting our IH pictures for our event that took place May 13-14, 2022.

I'll be attending several Midwest events and I hope you can find similar shows to report.

Red Power Roundup 2022

Red Power Roundup is like no other show.

Featuring International Harvester and the decades of machinery they built, you have to experience this.

Mark your calendar for 2023 as it will be held in Grand Island Nebraska.

IH Cub Cadet

International decided to enter the garden tractor market in 1961 with the Cub Cadet.

Unlike some of the riding tractors on the market, the International Cub Cadet (original) was styled like a real tractor and it was the first garden tractor built by a major tractor manufacturer and powered by a 7hp Kohler engine.

International Cub Cadet, 1961
