# International Harvester Collectors– Chapter 14 WWW.IHCCI4.ORG

## CH 14 FFA project

Tyler Schimke of Paso Robles High School spent hundreds of hours in 2018 restoring a 1956 Farmall tractor. Tyler says the tractor operated for decades in the Geneseo area of Paso Robles. Several owners used the tractor over the years on the east side of Paso Robles, including Daniel Lewis, after whom the Paso Robles Middle School is named.

Schimke says the tractor was converted to propane by the original owner shortly after it was purchased new at a now-defunct tractor lot in Paso Robles. He says the propane burned clean, which left the engine in good condition.

Schimke's PRHS ag advisor, Justin Pickard, presented the old, rusty tractor to Tyler. Tyler's dad helped in the restoration project. Rich Schimke, former Bearcat football coach, said he enjoyed the project, but that Tyler did most of the work. (source: Dewar Tractor Restoration website)

## IH Scout Rally

### Grass Valley CA

Jeff Ismail reports his IH Scout Rally held Oct 14-16, 2022 was a major success. With 90 IH vehicles and hundreds of visitors, we salute his efforts in promoting the IH legacy.

President's message:

With 208 IH Collectors as chapter members, let's remember the 100 year anniversary of the Farmall tractor highlighted at the 2023 Red Power Roundup in Grand Island NE next summer slated for June 14-16, 2023.

The IH Scout Rally promoted by member Jeff Ismail brought 90 IH Scouts, Travelall, and trucks to Grass Valley CA during Oct 14-16, 2022. Congrats to Jeff for this huge success that promotes the IH legacy.

Our Fall meeting was held October 28, 2022 at the Woodland AG Museum on Hays Lane in Woodland CA. The museum has a noticeable increase in classic tractors that include IH and McCormick Deering models. A huge thank you to museum staff for setting up our room and letting us position our Farmall Cub tractor at the museum entrance during Tractors & Brew event.

Spent the morning at Oakdale HS viewing the completed Farmall A and Farmall M projects. Farmall A is completed and will be used on their 26 acre FFA farm ; Farmall M is ready to be painted and reassembled. More to follow on this project.

This week visited the Woodland HS FFA tractor projects. Teacher Eric Dyers and his students are restoring a Farmall Cub and Cub Cadet tractor for the school year 2022/2023. Our Foundation trustees voted to fund \$2000 towards this project, making it our 41st project for the foundation since 2006.

We hosted the Veterans Day Parade and were honored to have a WWII Navy veteran in our parade. Visit [www.ihcc14.org](http://www.ihcc14.org) for some recent parade pictures.

We will kick off the new year with Colusa Farm Show and World AG Expo during February 2023.

We are looking for IH stories..... You've read about how we've used IH tractors on our farm, but we need to hear your story how IH tractors and equipment made a difference in your family farm. Compose your story with pictures and send us your IH history.

Merry Christmas from IH Collectors,

Roger Lubiens, President

## IH Collectors CH 14 Leadership Team

The following is your leadership team in 2022/2023:

President: Roger Lubiens, Folsom CA  
V. Pres/ Secretary: Jim Marshall, Beaverton, OR  
Treasurer: Dick Marshall, Clarksburg, CA

### **Board members:**

Terry Spahr -- Chairman Hershey PA ( exp. '23)  
Paul Baldwin — Elk Grove, CA (exp. '23)  
Phil Smith — Salinas, CA (exp. 24)

### **Member's Photo**

Bob Schaefer  
Huntington Beach CA

We thank Bob Schaefer for a picture of his twin IH Cub Cadets. He has powered the Cub Cadet with a 23 HP Predator engine and the right pictured Cadet is original.

If you have a picture of your IH..... Please send us a picture and description.

Thanks Bob

## Fall Meeting (Woodland CA)

Long distance presentation to Jim Marshall (560 miles)

Museum model tractors are vintage pre-1940 tractors

# International Harvester Collectors Chapter 14 Inc

**IH Collectors Chapter 14, Inc.  
Meeting at California Agriculture Museum  
Woodland, CA  
Minutes  
October 28, 2022**

**Museum Tour:** Prior to the start of the meeting, the members present were able to view Roger's Farmall Cub Tractor which he brought on a trailer. It was on display out in front of the museum. The members also were given freedom to view the many excellent exhibits of tractors and equipment in the California Agriculture Museum at no cost to Chapter 14.

**Call to Order:** President Lubiens called the meeting to order at 11:00 a.m.

**In Attendance:** President Roger Lubiens, Susan Lubiens, Todd Mara, Bill Simonton, Tim Buescher, Warren Berg, Richard Marshall and Jim Marshall

**Pledge of Allegiance to USA flag**

**Introductions:** Roger asked each man present to tell of his finished or ongoing projects.

Roger: 500 acres of soybean bumper crop on his North Dakota property. Repairs to 1466 tractor and also 656 tractor.

Richard: UD-16 engine restored, UD-18 and UD-24 ongoing restorations; Farmall MD tractors, and Case baler ongoing.

Tim: Restoring an older Cub tractor.

Todd: In Merchant Marines currently visiting Chapter 14, Likes Cub tractors. Todd has tree and landscape business.

Bill: Has Cub, 2 Ford tractors, Farmall A.

Warren: Owns Oliver 66 and Cletrac and numerous other tractors.

Jim: Has John Deere B with Richard; is currently writing article for Harvester Highlights about Richard's UD-16 stationary engine history and restoration. To be published in next issue of Harvester Highlights.

**Secretary Report:** Jim Marshall read the minutes of the previous meeting.

**Treasurer Report:** \$8,706 in the treasury as of October 15, 2022.

**Membership Report:**

President Lubiens reported Chapter 14 currently has 208 paid members.

Unpaid memberships will expire April 30, 2023.

**Foundation Report:** Foundation currently has \$9,110 in funds. \$800 in donations received in 2022.

**Website:** The Chapter 14 Facebook account has recorded 115,000 visitors viewing our posts.

**Slideshow:** President Lubiens presented a slideshow:

California Antique Farm Equipment Show in Tulare this past April 2022

Red Power Roundup in Ohio this past June 2022

South Dakota Chapter 21 Equipment Show this past summer

Tool Show Display board at a recent show

Folsom Veterans Day Parade last November 2022

Loomis Thanksgiving Day Parade

Placerville Christmas Parade

**FFA Projects:**

OAKDALE - Farmall A completely restored. The Farmall A project was reported in the Farm Show Magazine. Oakdale FFA is starting on next project of a Farmall M tractor.

YUBA COUNTY CHARTER SCHOOL - Member Jeff McGill has volunteered to assist the Yuba County Charter School. He assisted with the restoration of a Farmall Cub tractor donated by Darrell Taylor. The restored tractor was returned in restored condition to Mr. Taylor. Chapter 14 donated \$1,000 to this effort. It is the 40<sup>th</sup> tractor restoration sponsored by Chapter 14.

# International Harvester Collectors Chapter 14 Inc

**IH Collectors Chapter 14, Inc.  
Meeting at California Agriculture Museum  
Woodland, CA  
Minutes (Cont'd)  
October 28, 2022**

Chapter 14 will investigate schools where FFA projects were active in 2020-2022.

## **New Business and Shows:**

National Auction, Macon, GA, Nov. 18-19, 2022

World Ag Show, Tulare, CA Feb 15-16, 2023. Case IH has declined to allow Chapter 14 to participate in their booth area. It remains to be seen where Chapter 14 will be located.

IHC Collectors Winter Convention will be March 16-18, 2023 in Roanoke, VA.

California Antique Farm Equipment Show, April 22-23, 2023, Tulare, CA.

ATHS Central California Chapter truck show, April 29, 2023, Plymouth, CA.

Farm & Tractor Days, Dry Creek Road, Rio Linda, CA, May 12-13-2023

Red Power Roundup, June 15-17, 2023, Grand Island, NE. Home of Case-IH combines. This event will be the 100<sup>th</sup> anniversary of Farmall Tractors. Roger mentioned that this location will likely be the farthest West any past or future Red Power Roundup has taken place. He plans to attend representing Chapter 14 and has encouraged members as they are able to do likewise.

Richard Marshall reported on Dufur Days which he attended. It was held this past August in Dufur, OR which is just south of The Dalles, OR. It features antique farming methods using horses and steam tractors. They had a wheat field which was being cut with a horse-drawn binder. Sheaves of bound wheat were fed into a stationary thresher powered by a steam tractor.

Jim Marshall reported on the Great Oregon Steam Up held in Brooks, OR each summer. The events are held the last weekend of July and the first weekend of August on the property of Powerland Heritage Park. There are 14 different museums on the property featuring hit and miss farm engines, steam sawmill, large engine building, fire truck museum, logging museum, Caterpillar and John Deere museums and antique auto and truck museums. The Powerland Heritage Park is also open to the public from April to October on Wednesdays thru Sundays, 9 a.m. to 4 p.m.

Todd gave us a rundown and bit of discussion about the Fresno Scrapers which were widely used in the early days of California.

At the end of the meeting President Lubiens made a presentation of an ERTL toy IHC 1086 tractor to the person who came the furthest to this meeting. Jim Marshall was the lucky recipient.

Adjourn: President Lubiens called for adjournment. Richard moved to adjourn. Jim seconded the motion.

Respectfully submitted,  
Jim Marshall, Secretary
