President's message:

Welcome to 2023 as part of our 210 current members of IH Collectors Chapter 14 Inc. Be sure to visit www.ihcc14.org for memberships' dues if you have not already paid. Please note dues are now \$35.00 due to increase from national office.

During 2022, we had 116,000 people visit our Face book page to view events, shows, and FFA projects. Wow!!

Please join us at the Santos Farm near Los Banos on Feb 11th for our Winter meeting. We're sure you will enjoy Davis Santos museum collection of IH tractors.

Our Winter Convention will occur March 16-18, 2023 in Roanoke VA. Will you attend with Chapter 14 members? Susan and I are headed there. It will include a tour of the Cyrus McCormick farm.

Don Mccullough hopes to bring his Farmall, serial #507 to the Red Power Roundup show. I will have my Farmall Cub there too.

FFA projects are occurring at Oakdale, CA and Woodland CA high schools. In Woodland FFA youth will be restoring a Farmall Cub and a Cub Cadet.

CA Antique Farm Equipment Show is set for April 22-23, 2023 at the Agri International Center. We will have displays, parades, auctions, swap meets, contests, and a Saturday evening banquet. We would love to see 100's of IH tractors and displays. So please join us.

A big thank you to member Joe Kimbriel of Granite Bay in helping me get my Farmall Cub started. We replaced the magneto coil cover and cleaned the carburetor. Please remember our chapter members have some great technical skills to keep our tractors running well.

Financial review shows our chapter had \$ 5508 in revenues and \$ 4802 in expenses, leaving a profit of \$706. Hmmm that's a Farmall tractor model our farm had in the 60's.

Pete Tomasetti's Farmall H made it to the Penngrove Christmas parade.

Preserving the IH legacy,

Roger Lubiens, President
