International Harvester Collectors– Chapter 14 WWW.IHCCI4.ORG

Red Power Roundup 2023

Grand Island NE

June 15-17 2023

Red Power Roundup was a journey for many coming to Grand Island NE and representing 25 states and 4 Canada provinces.

More than 10,000 people came the first two days of the show to see 1000+ tractors, trucks, and equipment all made by International Harvester covering 100 years of Farmalls.

A number of our Chapter 14 members and relatives joined us from California, Oregon, and Idaho.

We set up our "California chapter booth and talked with hundreds of guests describing our chapter and what makes California agriculture so unique.

Make plans in 2024 to attend Red Power Roundup in Iowa.

100,000th Farmall Tractor

In the 1930's IHC made its 100,000 tractor as demonstrated by these pictures. It was built on April 12, 1930 and on display at Red Power Roundup this week.

Your story

You've used IH and Farmall equipment for decades no doubt.

This tractor is Annalisa' high school project and we applaud her efforts.

It's time you told us your Farmall tractor story. Share your experiences and thoughts with us to include in an upcoming newsletter.

Send us your story and pictures. We love posting stories and pictures of your story and memories.

We can hardly wait.

International Harvester Collectors Chapter 14 Inc

We are looking for donations for our Foundation. Your donations assist a number of high school FFA projects.

If you would like to donate to the CA IH Collectors Foundation, we'd love to receive a donation of \$100, \$500, \$1000 or more

Make your tax deductible check payable to CA IH Collectors Foundation, mailed to PO Box 1471 Folsom CA 95630.

Thank you.

President's Message:

It was a 9 hour trip for me to attend the 2023 Red Power Roundup in Grand Island NE.

Joining me from Chapter 14 were: Jim Marshall (OR), Don McCullough and grandson (ID), Dick Marshall and Judy (CA), Jeff Magill (CA), Steve Lucich (CA), Bob Currie (CA), Tony and & Carol Ramos (CA), Paul and Nancy Baldwin (CA), Alan Bala (CA), Darald Marin (AZ).

A treat at RPRU was to interview AG News caster Max Armstrong who was our banquet speaker. A long time friend of CH14 he has encouraged our FFA projects and featured them on his TV show.

Another delight was to interview AG students who had restored Farmall tractors for RPRU event. Covering a 2 year period, this Farmall F-20 tractor was restored to perfection.

Included in this news alert will be a number of IH displays we hope you will enjoy.

Lastly is a 1917 IH Autocar on display at RPRU I truly admired. Surprised? Yes in the early 1900's IHC was building cars and trucks as IHC dominated the manufacturing scene.

The 2024 Red Power Roundup will be in Spencer Iowa. Another semi close destination for IH Collectors.

Preserving the IH legacy,

Roger Lubiens, President
