Fall Meeting
Clarksburg CA.

Time for another Chapter 14 meeting at our member's farms.

Stephen Heringer invites us to his farm for a 10AM Saturday meeting and hosted lunch.

Located at 37375 Netherlands Rd, Clarksburg CA you will enjoy the 120 year legacy of this farm and its vineyard/museum. <https://heringerestates.com/family/>

This farm is finishing up its grape harvest as we get ready for the meeting. You will see classic IH TD40 & F12 tractors at this farm.

We will enjoy a meeting covering events of 2023 and discuss upcoming business matters for Chapter 14.

Take Jefferson BL south from West Sacramento that becomes Hwy 84. Turn left onto Clarksburg Rd. Turn right onto Netherlands Ave. Turn into Heringer Estates Winery..

Mark your calendar for this fun IHC Chapter 14 event. See you at this family farm.

John Konwiser from Scottsdale AZ shared a picture of his IHC auto wagon.

The International Harvester Auto-wagon is a two-cylinder, air-cooled truck made by IHC. First announced in February 1907, the Auto-Buggy was dropped from their range of products in early 1912, but the Auto Wagon continued to 1917.

We thank John Konwiser for this great picture.

We are looking for donations for our Foundation. Your donations assist a number of high school FFA projects.

If you would like to donate to the CA IH Collectors Foundation, we'd love to receive a donation of \$100, \$500, \$1000, or more.

Make your tax deductible check out to CA IH Collectors Foundation, mailed to PO Box 1471 Folsom CA 95630.

Thank you.

President's Message:

June 3 2023 we held a ZOOM board meeting to discuss events and showed a presentation via Power Point of past shows sponsored by IHC Chapter 14. Included in that was a promotion of Red Power Roundup.

What did you miss at this year's Red Power Roundup:

- 1000 IH tractors. 10,000 visitors all in Grand Island NE. All part of 100 years of Farmall tractors.
- 15 fellow Chapter 14 members made the trip to Nebraska as we celebrated 100 years of Farmall tractors

Be sure to attend the 2024 Red Power Roundup in Spencer Iowa.

How did you spend the 4th of July?? One of our chapter members from Oregon had his Farmall tractor in a parade. See page 4 for the story.

We have 199 paid members in IH Collectors Chapter 14 Inc for 2023. With a bit of effort you can help us pass the 200 memberships. Just sign up or sponsor a member for 2023/2024 by completing a membership application from our website or pay for membership through our Paypal link.

Join us October 21 at the Heringer farm in Clarksburg CA for our Fall meeting. See page 1 for details.

Don't forget to attend the Grass Valley show for the IH Scout Ralleye at the fairgrounds. Last year 120 Scout owners exhibited their trucks and SUV's built by IHC.

Using the 100 Year Farmall banner, we sponsored lunch at the North Dakota Corn Growers golf tournament. 80 farmers and salesmen enjoyed a round of golf and a steak dinner. Talking about how Farmalls have been growing corn across the USA for a hundred years. True for our family farm too. My grandpa switched from horses to Farmalls in mid 1930's.

Attended the James Valley Threshing Show in Andover SD. Featured were hundreds of tractors with dozens of classic Farmall. A Case steam tractor pulls a 44 bottom plow. A great event for September.

100 years of Farmalls in 2023!

4th of July

Pictures are a 1950 Farmall M at both a 4th of July Parade in Dalles Oregon, and a car show in Goldendale, Washington.

Chapter 14 member Tom Liethen of Tygh Valley Oregon brought this tractor from Wisconsin where he grew up to his Oregon residence and restored it. In fine condition I must say.

Tom is a retired engineer having worked for Ford in Dearborn Michigan, then onto Freightliner, and eventually with Kenworth Truck in Seattle.

We are pleased to see him in the Dalles OR July 4th parade as part of patriotism and celebrating 100 years of Farmall on Independence Day.

AG PHD Field Day

Welcome to Baltic SD and the Hefty brother's farm featured on RFD-TV show called "AG PHD" where viewers are taught basic farming.

On this day in late July we visit their farm near Sioux Falls SD.

At their farm we learn about corn and soybeans and the newest varieties.

new age farming techniques, robotics, digital farming, and fungicides/fertilizers to keep your crop healthy.

Of special interest are the restored Farmall tractors on display near the farm's flower garden. This year on display was Super H, A, and Farmall 350.

10,000 people joined me at this year's event along with RFD Shark Farmer. Hefty Farms fed everyone along with live country music. An amazing event!
